### **4<sup>th</sup> of July Boat Parade**

Mother nature threatened to put a damper on the boat parade this year but that did not stop around 20 boats full of lake residents from participating in the annual event! Thank you to Nate Uselding for helping to coordinate the boats and Brad Spencer and his family for taking photos and judging!

What was your favorite boat??

Winners will be announced at the Lake Sarah summer picnic on Sunday July 21<sup>st</sup>!

## Membership Update

Thank you to all the Lake Sarah residents for supporting Lake Sarah Improvement Association! We have received 2019 membership dues from 131 residents. There is still time to contribute \$35 for our annual membership dues.

An updated list will be sent to Randy's Sanitation at the end of this month to allow paid members to receive their discount. Contributions can be made via check to LSIA PO Box 25 Loretto MN 55357 or via [Pay Pal](#)

## 2019 Lake Sarah Neighborhood Directory

The updated directory will be completed by late summer. We will send out a DRAFT prior to the final edition to allow for corrections/additions. Please send any corrections that you note to [Lakesarahassociation@yahoo.com](mailto:Lakesarahassociation@yahoo.com). The final 2019/2020 directory will be sent out by email. Hard Copies will be available upon request and at the fall meeting.

## Lake Treatment Update

Overall, we have completed another successful round of lake treatments for 2019. Each year proves to be unique regarding Lake and weather conditions affecting our journey to address/treat invasives in our Lake to improve our water quality. Based on early Spring survey results approximately 111 acres were treated for Curly Leaf Pondweed (CLP) at the end of May. Early June post treatment survey indicated both CLP and Eurasian

Water Milfoil in several areas of the lake. In concert with our treatment consultants and the DNR another 48 acres were treated for CLP/EWM with positive results in late June.

Total treatment costs are just shy of budgeted amount of \$34,000. We are in the process of obtaining contributions from our treatment partners (Three Rivers Park District and the Pioneer Sarah Creek Watershed Management Commission) and thank them for their continued participation/support.

Many thanks to those residents and friends of Lake Sarah who have contributed to this year's treatment cost. However, we are still short of the budgeted collection amount and would encourage those who have yet to contribute the tax deductible donation of \$150 to do so. Contributions can be made via check to LSIA PO Box 25 Loretto MN 55357 or via [Pay Pal](#)
